

Munich Summit on China Arbitration

The trade between Chinese and European parties has enhanced during the last years, yet it remains subject to special challenges and risks. As a backbone to this trade, arbitration provides a functional instrument to resolve disputes and the necessary security to enforce mutual rights and duties.

On the occasion of the visit of a highly ranked delegation of the **China International Economic and Trade Arbitration Commission (CIETAC)** and representatives of the Tribunal for Foreign Commercial and Maritime Cases, Supreme People's Court, to Europe, the **Chinese European Arbitration Centre (CEAC)** invites you to discuss hot topics relating to arbitration of China related matters. The event will take place on

15 June 2016 from 3.30 to 6 p.m.

in the large conference room at **Heuking Kühn Lüer Wojtek**, Prinzregentenstraße 48, 80538 Munich.
